

HELP US CREATE COMMUNITIES

The Art Ministry are looking for people to join our Board of Trustees

What we do

We are a well established and respected growing creative charity who believes that anyone can enjoy good mental health and well-being by engaging in the creative process.

We provide regular art and craft sessions for children and adults with a wide variety of needs. We extend our reach by providing sessions for partners, including local schools, Southend in Sight, Sanctuary Housing and South Essex Homes.

We engage with the wider community by providing art and craft activities at local events, by offering volunteering and employment opportunities, and holding exhibitions.

We need you

We need people with experience of finance, HR, fundraising, event management, digital engagement, PR, partnerships, and delivering creative services.

We need creative thinkers who can work collaboratively to provide the leadership that The Art Ministry needs to achieve its strategic objective of helping even more members of the local community improve their mental health and well-being by engaging in the creative process.

You will need to commit to at least 4 hours a month, including at least 4 trustee meetings a year.

If you have the skills, experience and time that we need then please get in touch.

You do not need previous board or senior management experience.

We don't expect any one person to meet all of our needs!

What we will give you

We will validate your suitability for the role through an interview, reference and security checks.

We will provide you with an induction to The Art Ministry and appropriate training, software and memberships, to help you fulfil your role. We will reimburse your pre-agreed expenses.

You will have the opportunity to help shape the strategic direction of The Art Ministry as well as ensure that it meets its day to day operational objectives. You will have the opportunity to network with others in the third sector.
